EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Sungho Hong on February 22, 2006.

The application has been amended as follows: Claims 9 and 10 have been cancelled.

2. The following is an examiner's statement of reasons for allowance: The prior art does not disclose or suggest the claimed "hybrid cell comprised of a fuel cell and a secondary cell as a power supply system...said supplies container includes therein a storing portion for storing fuel for said fuel cell...the fuel stored in said storing portion is supplied to said fuel cell and said fuel cell supplies electric power for driving said ink jet recording apparatus, and when said ink jet recording apparatus is not driven, said power supply system stores an electric power generated by said fuel cell into said secondary cell" in combination with the remaining claim elements as set forth in claim 1. Also, the prior art does not disclose or suggest the claimed "fuel cell for generating an electric power for operating said recording apparatus; a secondary cell configured to supply the electric power to operate said recording apparatus; and a storing portion provided in said cartridge and adapted to store fuel for said fuel cell, wherein said secondary cell is further configured to store the electric power generated by said fuel

cell as well as supplied from an AC power source" in combination with the remaining claim elements as set forth in claim 6.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian Goldberg whose telephone number is 571-272-2728. The examiner can normally be reached on Monday through Friday, 9AM-5PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Stephen Meier can be reached on 571-272-2149. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
